Seminar on Climate Change Adaptation: What Navajo Communities Can do.

Free Seminar!

**Crownpoint Chapter House
Crownpoint, New Mexico**

Sponsored by: BIA ENA

DATE: 07/11/2014

**FRIDAY
7:30 AM – 4:00 PM**

The BIA Eastern Navajo Agency is hosting a Climate Change Adaptation Seminar on July 11, 2014 at Crownpoint Chapter House. The seminar will provide information on Climate Change Adaptation and environmental conditions under climate change in Eastern Navajo Agency. There will be information on traditional knowledge on climate change, current climate change initiatives (gardening, erosion control) & what Navajo communities can do in adapting to climate change. Listen to Native American experts on climate change. Everyone is welcomed to attend, especially tribal leaders and officials!
